Description

This qualification provides the skills and knowledge for an individual to be competent in a range of activities and functions within the Fitness industry, including working independently in a broad range of settings, such as within fitness centres, gyms, pools, community facilities and in open spaces.

Those with this level of competency will be expected to train individual clients, on a one-on-one basis, and may include older clients and children.

Persons with this level of competency will have the ability to plan, conduct and evaluate exercise training, provide leadership and guidance to clients and other staff and possibly deal with unpredictable situations.

Exercise Trainers will have the ability to monitor and manage business activities to operate efficiently and profitably.

Job roles

- exercise trainer - personal trainer
- exercise trainer - aqua trainer
- exercise trainer - program coordinator
- exercise trainer - children's trainer
- exercise trainer - older client trainer
